# WHY BUY TABLE PROTECTORS?

**Protects the table edge** - a table protector will protect the table edges from damage

**Reduces noise** - increase guest comfort and reduce noise in a busy dining room

Stops the table cloth from **slipping**

Use a table protector over your base cloth and **save on laundry**

White table protector **doesn't show through** under a white tablecloth

**Half round tables** - cover two half round tables for a smooth surface during service

**Waterproof vinyl coating** - spills can be wiped off, preventing damage to a beautiful table

**Heat resistant** - protects the table surface
