BUFFET-RITE

Buffet-Rite Table Top

A new way of buffet service: removable, heat resistant and waterproof top that fits over buffet tables.

Key features:

- Buffet-Rite has been designed to fit over existing tables that are already owned by the property or to accompany the Alu-Lite[®] range of Forbes lightweight folding tables.
- It has a wipe clean laminate surface, which is ideal for an indoor or outdoor buffet service – Ideal for hot buffets and drink stations.
- Buffet-Rite is very resistant to most stains and remains its uniform colour without discolouration for years with minimal care.

A practical and elegant feature

- The laminate top will withstand heat from boiling water and moderately hot containers.
- It is very quick and easy to set up, transport and store due to the light-weight frame construction. Its aluminium frame is 100% recyclable.
- It eliminates laundry costs and saves time on cleaning as any stains and spillages can be easily wiped away.
- The Buffet-Rite gives ordinary tables multiple uses.

Buffet-Rite Table Top

Practicality and durability are not the only advantages of the Buffet-Rite, when used with our Silcra stretch covers it will give a modern contemporary look to any buffet station. With a Silcra stretch cover, a table transforms into a sculpted serving station for indoor or outdoor use.
