Left: Rectangular Folding Table with T-Bar legs

Rectangular Folding Buffet Table with Standard Legs

Rectangular Folding Buffet Table with T-Bar Legs

Key features:

- Waterproof and durable laminate surface
- Aluminium frame is lightweight and recyclable
- Resistant to corrosion, ideal for outdoor use
- Self locking folding mechanism
- Alu-Lite tables conform to the EU guidelines for lifting weights
- Nylon flush fit corners are fitted as standard on rectangular tables

Optional extras:

- Storage trolley

Laminate finishes:

Walnut, Beech, Oak, Ash, Wenge

Powder coating finishes:

Silver, Black, Brown, Grey

Standard folding buffet table size:

AFT1875 180 cm x 75 cm x 73.5 cm 10.9kg

For round banqueting tables or other sizes and custom finishes, contact our sales team.

Flush fit corners:

Flush fit corners are standard on all rectangular Alu-Lite tables. The new nylon corners adds strength and improves corner impact resistance.

It also incorporates a stacking buffer that allows tables to be stacked and stored with ease.
