

Mobile Food Prep / Action Stations

Mobile food preparation stations for use indoors and outdoors.

The action stations, grab & go stations, nesting buffet tables & eco-flex tables can be supplied with matching finishes.

Grab & Go Self Service Food Stations

A full range of mobile tables, rolling display shelves and counter top safety shields to set up as a self service food station.

Insulated compartments in the grab & go trolleys keep the food warm or cold without the need for a power connection.
